

## TENDER FOR THE SALE OF VEHICLE

Abt Associates, a major American business and government research, technical assistance, and consulting company, manages the USAID President Malaria Initiative (PMI) Evolve project. The project supports an integrated vector control program with the overall goal of reducing the burden of malaria. Abt has implemented indoor residual spraying (IRS) for PMI since 2011, delivering high-quality IRS programs and gathering the most comprehensive entomological data.

Abt Associates in Monrovia intends to part away with one of its project vehicles through sale with the following information and bid sheet.
